# COMPANY PROFILE

Transportation is a precise business.

At Bangalore Patna Logistics, we practice meticulous goods management process from the point of origin to the point of consumption. As one of the leading transportation organizations in the country, our focus is to set quality benchmarks with every passing milestone.

We consistently strive to deliver flawless service in every vertical, viz., material handling, production, packaging, cargo containers, warehousing etc. We have extensive experience in transportation of goods by road. Over the years, our company has organized, planned and delivered for several industries.

Bangalore Patna Logistics is sprawled across the nation with 5 branches, regional business affiliates, all supported by a fleet of trucks and trailers in transit. This nation-wide network is efficiently maneuvered by expert professionals by applying modern management systems.

## OUR MISSION

To serve our customers in a professional, ethical and transparent manner by incorporating and retaining value based systems in technology and human resources, with trustworthy expertise in shipping and related fields. The interest of our clients always comes first. Our experience shows that if we serve our clients efficiently, success will follow at the instance of our clients. To render quality service and to keep steady focus on safety and dependability. To work in an environment with perfect blend of "Planning and Execution" to meet the challenges of change and competition. To value our manpower and train them to work with a team spirit.

## OUR VISION

To excel as a premier provider of integrated logistics services and solutions in specialized markets worldwide, harnessing cutting-edge technology and operational prowess. Our mission is to deliver unparalleled value to today's global enterprises, revolutionizing customer satisfaction, optimizing cost and time efficiencies, and harmonizing Indian requirements with international best practices

# FROM THE MD'S DESK

We thank all our patrons and potential customers for showing interest in Bangalore Patna Logistics Since its humble beginning as a transportation company, Bangalore Patna Logistics has come a long way. Moving steadily along the track of reliability, the company has steered its way on the road to success. Today, we are acknowledged as the complete solution provider in transportation and logistics segment. Our genuine and timely solutions have enabled many enterprises to accelerate their pace of business growth. In fact, the entire journey of Bangalore Patna Logistics a tale of flourishing partnership between business transparency and customer's trust.

We value change since we associate with clients of different backgrounds, and the given dynamic nature of our industry, it's imperative to inculcate continuous improvement to sustain in the long run. Our infrastructure has modern systems to carry out routine operations of procuring, processing and dispatching in an efficient manner.

Our team is our greatest asset. They understand client requirement, devise appropriate solutions and execute the task in the most professional manner. It's their commitment that has empowered us to consistently manage our nationwide network of operational activities. Together with the team has executed some of the very grueling tasks which were otherwise deemed to be impossible by others. We take on challenges and consider them as a healthy practice to build progress. Our proposition to every customer is simple – "If you give us opportunity, we will return it with value and trust."

Customer satisfaction is our foremost objective. Every individual here is driven by value of excellent customer service which forms the foundation for long term relationships. Our esteemed clientele is a testament of the same. On account of such dedication, Bangalore Patna Logistics has been able to maintain a successful track record for quick and safe delivery within client specifications. We pledge to continue doing so for every opportunity entrusted upon us.

# LOGISTICS WAREHOUSING

Warehousing is an indispensable part of any logistics service provider company & essential part of supply chain management. Bangalore Patna Logistics has warehousing space in key locations across the country. As part of our basket of services enabling you to reduce overheads, increase efficiency and cut down valuable management time.

## OUR WAREHOUSING SERVICES INCLUDE

Bangalore Patna Logistics has a well furnished & hi-tech warehousing facility in almost every part of India for efficient logistics coordination. We ensure that the shipments we store in our warehouses are stored with utmost care & precision, safely delivered to the destination. Storage, consolidation, repacking, documentation, labeling, invoicing, finished and spares inventory management, distribution and services support, cross talking are all services provided if required. Bangalore Patna Logistics also handles all logistics activities for spare parts including repair and reverse logistics, replacement, re-export and scrapping.

# CARGO / HEAVY & ODC CARGO

Whether you are building a manufacturing plant or drilling the earth, you will need to procure logistics transportation service to manage your cargo movement. The services include freight management, cargo handling and cargo moving from origin to your final site location. We work closely with your purchasing team to make sure that everything is according to your schedule. Our process begins when the purchase orders are issued and involves moving cargo of all sizes and dimensions from anywhere in the world to your final site location. We can give creative solutions and the fastest possible response for your inquiries.

## PROJECT CARGO / HEAVY & ODC CARGO
